To video

Tests must be videoed from the 'C' end of the arena and must be completed in one session, as you would in any competition.

Stand back approx. 3m from C, as if you were in the position of the dressage judge.

Make sure that the whole horse is in the video at all times (Tests may be videoed from a phone or camera)

Download your video on to YouTube - include the riders first name only and the name of the horse in your code.

Check that the email link to your test works. (the link cannot be viewed if private, the video is not too dark, out of focus, filmed from the wrong end of the arena, upside down or the wrong test!)

The link must take you to your YouTube video, otherwise it will not be counted.
